

Newsletter June 2015

The season of Autumn has quickly turned to winter, therefore we are asking you to layer your children in warm named clothing.

By clothing your children in layers, as their bodies heat up by their boisterous play throughout the day we are able to help them discard each layer. Then when it gets colder again towards the late afternoon, we put their clothing back on.

We welcome into our Centre five new children. Haleigh and her younger brother Finn. Sebastian and his younger brother Zachary. and also Alex who is with us from China for two months.

We say good-bye to Kevin and Ethan who both have turned 5 and departed for school.

Haleigh, our only birthday child, turns 4 this month and is very excited that she can join the Preschool class with all its different activities.

Pyjama Day – Wed 24th June

Come to Preschool in your PJs. If you will the teachers will also.

We will have a fun day with our friends eating popcorn, watching Videos and having Teachers read your special books while you are lying down and relaxing with your friends.

Mums n dads !!!
